

Travelling between Royal Far West Lodge and our Centre for Country Kids.

It's easy to travel between the Lodge and Royal Far West.

You can either jump on our shuttle bus (which runs 3-4 times per day) or if you wish to walk, we can suggest the following routes.

DIRECT ROUTE

ROUTE USING CROSSINGS

It's about a 15 minute walk to Royal Far West from our Lodge – we recommend heading to the beach front to enjoy the view (and the playground) on the way.

The most direct route is to head towards Carlton St and then the beach, however if you would prefer to cross at lights/pedestrian crossing, first head towards Pine st and then cross and make your way to the beachfront.

As you near Royal Far West, you can walk along the beach front until you reach Wentworth St and cross using the Pedestrian Crossing.

Alternatively, you can walk along Belgrave St, turning onto Sydney Rd, onto The Corso and then left into Rialto Lane through to Wentworth St via cafes.

Manly Wharf to Royal Far West Lodge

The 199 (Manly to Palm Beach) runs every 10-15mins Board at Manly Wharf Stand B and alight at Pine St/ Pittwater Rd. Then, it's a short walk: turn left onto Pine St, then left onto Smith St

Exit Manly Wharf and crossover to Corso and veer left to taxi rank that runs along beside the Council Chamber and Manly Police Station
